MOKSH CHOUDHARY

Liverpool, United Kingdom | 07785 607488 | mokkshchoudhary@gmail.com
MSc Advanced Computer Science Student, University of Liverpool

PROFILE
Hard-working, friendly and reliable team member with experience in hospitality, retail and three years
as a Software Developer. Currently studying MSc Advanced Computer Science at the University of Liverpool
and seeking a term-time Catering Assistant role at St Sebastian's via Impact Food Group.
Comfortable preparing simple food, serving pupils and staff, handling tills and keeping kitchen and
dining areas clean, while bringing a positive, calm attitude to a busy school environment.

KEY SKILLS
• Pupil & staff service: polite, patient and approachable with children and adults
• Food support: confident helping with simple food preparation and snack/meal service
• Counter & tills: experience handling cash, card payments and working on a service counter
• Hygiene & safety: understands the importance of food handling, cleaning and H&S procedures
• Time management: able to work efficiently within tight lunch breaks and busy periods
• Teamwork: supportive, cooperative and communicative within a small catering team
• Reliability: punctual, consistent and trusted to follow routines and instructions
• Positive attitude: brings energy and a can-do mindset to every shift

RELEVANT EXPERIENCE
Hospitality & Catering Experience
Front of House Assistant | Local Restaurant – Haryana, India
May 2021 – Nov 2021
• Supported daily food service in a busy family restaurant, working with kitchen and FOH teams.
• Helped present food and drinks neatly and served guests in a friendly, efficient manner.
• Maintained clean, organised dining and service areas, following hygiene expectations.
• Managed multiple tables at once, staying calm and focused during busy periods.

Retail Assistant & Cashier | Reliance Fresh – Yamunanagar, Haryana, India
Dec 2021 – May 2022
• Worked in a fast-paced grocery environment serving customers and handling payments.
• Helped keep displays stocked, neat and visually appealing for customers.
• Supported regular cleaning and basic safety routines on the shop floor.

ADDITIONAL EXPERIENCE
